WHAT WE DO

Comprehensive Services

Tailored financial solutions designed to meet the unique demands of every client, from startups to large enterprises.

Audit & Assurance

Ensuring financial integrity, statutory compliance, and stakeholder confidence through rigorous audit processes.

Virtual Office / Virtual CFO

Providing businesses with professional office presence and strategic CFO-level financial oversight without the overhead.

Bookkeeping Services

Streamlining financial operations with accurate, timely bookkeeping and management reporting solutions.

Direct Tax (Domestic & International)

Strategic tax planning and compliance for individuals, partnerships, and corporations — minimizing liability, maximizing value across domestic and international jurisdictions.

Goods & Service Tax

End-to-end GST compliance, advisory, and filing services to keep your business fully aligned with regulatory requirements.

Secretarial Services

Comprehensive company secretarial support including ROC filings, compliance management, and corporate governance.

Advisory

Business consulting, financial planning, mergers & acquisitions support, and enterprise risk management.

CLIENTS

Industries We Cater To

Our diverse expertise allows us to serve clients across a broad spectrum of industries — bringing sector-specific knowledge to every engagement.

Technology & Startups

Supporting high-growth ventures with scalable financial frameworks and investor-ready reporting.

Manufacturing & Engineering

Cost management, compliance, and financial controls for complex industrial operations.

Real Estate & Construction

Project accounting, tax structuring, and regulatory guidance for property developers.

Healthcare & Pharma

Financial compliance and advisory for clinics, hospitals, and pharmaceutical enterprises.

Retail & Consumer Goods

Inventory management, GST compliance, and profitability analysis for retail businesses.

Education & NGOs

Fund accounting, compliance, and transparent financial reporting for institutions and non-profits.

Banking & Finance

Specialized audit, compliance, and advisory services for banks, NBFCs, broking houses, and financial intermediaries.
